

Chungcheong-do

& Daejeon

Chungcheong-do is a province located in the central part of South Korea. Because of that, transportation has developed, and it is possible to travel quickly to any part of the country, making it very accessible for sight-seeing when visiting other regions.

Daejeon, a city of science and education, boasts convenient transportation and comfortable infrastructure. It also has the most famous bakery in Korea, so many people visit Daejeon for bread. Buyeo has a unique and brilliant culture, including ruins and relics of the ancient kingdom of Baekje. In Jecheon and Damyang, you can enjoy various activities, with the beautiful scenery of Chungjuho Lake, known as the inland sea, as a backdrop.
